

A LEGACY BUILT ON MANUFACTURING

HAJI ABED ALI MIAH

FOUNDER

Abed Textile began with the vision of Haji Abed Ali Miah in Narsingdi in the early 1990s. At a time when Bangladesh was developing its domestic textile base, he focused on building local manufacturing capability. That foundation later expanded into a broader textile processing operation and, eventually, advanced digital textile printing.

FOUNDER PHILOSOPHY

Produce locally.

Build capability.

Invest for the future.
