CLEAR PRINCIPLES FOR GROWTH, CONDUCT AND RESPONSIBLE MANUFACTURING

OUR VISION

To build a progressive textile manufacturing enterprise that combines industry experience, advanced technology, responsible production and consistent quality for evolving customer and market needs.

OUR MISSION

- Deliver reliable textile manufacturing and processing.
- Strengthen technical and production capabilities.
- Adopt technologies that improve efficiency and flexibility.
- Develop people, knowledge and responsible resource management.
- Create long-term value for customers and stakeholders.

OUR CORE VALUES

INTEGRITY Honour commitments and conduct business responsibly.	**QUALITY** Build consistency into development and production.	**INNOVATION** Explore better technologies and manufacturing methods.
RESPONSIBILITY Consider people, resources and the environment.	**PARTNERSHIP** Build long-term relationships on trust and reliability.	**LEARNING** Strengthen capability through knowledge and skills.

OUR CODE OF CONDUCT

Compliance → Respect → Safety → Ethical Business → Environment → Confidentiality → Responsible Supply
